Dear Class of 2009:

I am honored to have been your assistant principal and principal for the last five years. Your class will always be special to me as I complete my first year as Principal of Dedham High School. It has been my pleasure to see you grow and mature into responsible young adults. Your achievements are many and will serve you well as you enter into a life of challenges and aspirations. Remember this quote from the legendary Alabama University football coach and educator, Bear Bryant. "When you make a mistake, there are three things you can do: admit it, learn from it, and don't repeat it." I wish you good health, prosperity and all the best that life has to offer. Good luck.

Mr. Jacob A. Santamaria, Jr.

Why do students attend school each day?
According to our parents, it has something to do with learning...
They had no clue.

We return to 140 Whiting Avenue each September to see our friends.
A friendship in high school is something you cannot describe,
it's something you can only feel.
Without our friends, passing through the 5 wings, 11 hallways
and 2 bridges would not be the same.
With such hectic schedules, the weeks fly by in a flash;
whether it's a math test on Tuesday
or a Pep Rally on Friday.
After 5 periods and 3 lunches, the day is not over at 2:10 p.m.
There are 48 ways to have fun, afterschool...
without getting in trouble.
With 31 clubs and 17 sports there is always time to cheer
on our home teams. Can't forget events from
home games to tournaments; from powder-puff
to fundraisers; and from homecoming, to the senior play.

So look around. This is our school,
and this is our time.
These memories will last a lifetime,
And for every memory, there's a dream ahead.

It's kind of funny to look back at the past five years and try to sum it up in one paragraph, but a few things stand out that I will remember forever, like Marching Band, Track, all my friends and teachers. I'm always looking towards the future, but I will never forget my times here at Dedham High. The good memories, the bad ones too, will always hold a special place in my life.

Wow. High school is over already? The experience that I've gained from high school will stay with me forever, or until I get too old to remember. High school has been a time to learn, not only from books but from each other. I've learned how to be social, through trial and error. I've found a sport that I love (volleyball) and learned how to mess up. Messing up has been one of the best learning experiences. Learning to lose, learning to sit on the bench, learning how to cooperate and work as a team. Special thanks to Ms. Bo for your patience and to my family for their constant support.

In this lifetime so let me say before we part
So much of me is made of what I learned from you
You'll be with me like a handprint on my heart
And now whatever way our stories end
I know you have re-written mine
By being my friend.

I can't believe it is finally here. It's weird thinking that I'm the one walking across the stage this time, yet at the same time, it's a relief. So much has gone on in the past 5 years I don't even know where to start. From the Homecomings and Sophomore Semi, to hanging out with my friends on Friday and Saturday nights. Going to the movies and eating at Chili's countless times. I can tell you that I wouldn't be here right now if it wasn't for my friends. I want to thank you so much for everything, and most important of all, I want to thank my Mom and Dad. Good luck Class of 2009!

I, Mr. Dedham, would like to thank everybody for making high school a blast. It was harsh, but we gave it a good run. We had a blast in the Marching Band, Jazz Band, and Science Olympiad. Winning the first Mr. Dedham pageant was really something else. Still waiting to go on a world tour though. Don't worry you're all invited. I'm just saying, it was rough, but we had a ton of laughs. Thinking about it now, you were all crazy. Oh, well. Good luck every body, see you when I see you, and remember, "It don't matter who you're playing with, as long as you keep playing."

Off to college..Dedham High wasn't too too bad looking back on it, and I'd like to thank all of my teachers first off for helping me become prepared for next year. Also my family's been a crucial part of my life, and they deserve thanks for constantly being supportive of me throughout my four years here. I had a great group of friends and hopefully we all stay in contact in years to come, and I had some good times that I'll remember for a long while. Going to sarku, my pool, whiffle ball, scratches, prom .

We entered through the facade of the school as 8th graders having the maturity of a sandbox. We are now leaving the school knowing how to spell hello and even being taught the Kreb's cycle. Of course we had some tests along the way, but who minds taking a test while eating a blueberry pie? Then there was always time to release some energy with gym, you know setting up the volleyball net can be a work out. Now after all these good memories we are finally leaving!!! Snow pile, we will never know how that got transformed into Snile post <3 Love to all my friends who hopefully get some of these jokes.

My four years of high school had its ups and downs with friends and work. I wanna thank god that its done and over with. Throughout these years I have become wiser, you can never learn too much! I gone through things with people not liking me and talking about me for no reason. But at the end of the day I just look back and laugh at it all. I'm too happy I am off this and I'm ready to start the next chapter of my life.
My last words I have to say before I leave
is to all my underclassies stay up!
To all my loves, good luck in life and stay up.

Dedham High was one of my finest experiences. I will forever cherish the time I've spent here and the people I've met. Its been a long run, but I finally made it.From a senior back to a freshmen; I'm finally graduating and I'm off to college. Chess, Soccer, Science, and the Senior Musical were all fun, but I will mostly miss the team of C.A.D Stars and the C.A.D Master Mr. Dewar. I've had a lot of fun in the C.A.D Lab, and I've also learned a lot of things in there. It was my favorite class, and I'll remember it forever.

We run to thee far places and dance with thee dad,
We cannot even explain all the good times we had.
And even though our record wasn't the best,
We finally put Norwood to rest.
Without Mr. Walker this all wouldn't have been done,
His workouts were death but we thank him a ton.
We eat all his Cheetos as well as the bowl,
Then next practice he made us pay the toll.
Thanks for the pasta parties and the sleepover too,
The season wouldn't have been the same without all of you
We've had a good run!

Even though we had an 0-11 record, we still had a pretty good time. Our practices provided us with many funny and memorable moments. The daily Duane and Billy moments, messing with Dad, warming up playing catch with a lacrosse ball, and being chased by dogs.. We complained about practice everyday to annoy coach, and Duane made stretching after practices fun. We had a good time this season, good luck next year boys!

To the Team,

From gansters to nerds to tooth fairies, we had a solid season finishing off 9-6-4 and making tourney. Never forget when we "bounced back" against Norwood on their field. We still don't know what she is hiding under those bangs. The silent bus ride home from Newton North...awkward. Good times at 50's ("No, I don't want homefries"), pasta parties, and Sunday practices at 8 in the morning. To the seniors, good luck in the future. To the underclassmen, always remember "you don't get a trophy for winning 6 games." We will miss you all and remember to be "a good person." Mmm...right!

Nice goal!

So boys we defied the odds and made tourney. We shocked a lot of teams this year by pulling off some upset wins. How about the 1-0 win over Weymouth guys? We had a lot of fun and played as one. We "won the 50/50 balls" and "played with passion". We had a tough loss in tourney but it was a good year. Good times jamming out to "Seven Nation Army" in the locker room, too. Anyone got five? Good luck next year guys! Stay up.

Hey Girls!

So, we had a great season. We finished off at 10-6-3 and had so much fun! We'll never forget when we tied Walpole on our field. We love to be from Dedham when the Porkers take the field. Good times with Dane Cook, DW, and D-Baby, memories we made on Nantucket, jamming on bus rides, pasta parties, and our sleepover will stay with us forever. We wouldn't have wanted to spend our last season with any other team. Good luck to all the seniors in the future. Thank you to the underclassmen for making this season unforgettable! After starting off the season 0-4 we fought back to show the Bay State Conference what Dedham Golf is all about. By winning our next five matches we were able to carry this confidence to finish the season at 8-8, and make tournament. Late night pre-match practices at McGolf, and Pizza at Hickory-sticks really boosted our performance. Good luck next year team and keep the one year tourney streak alive.

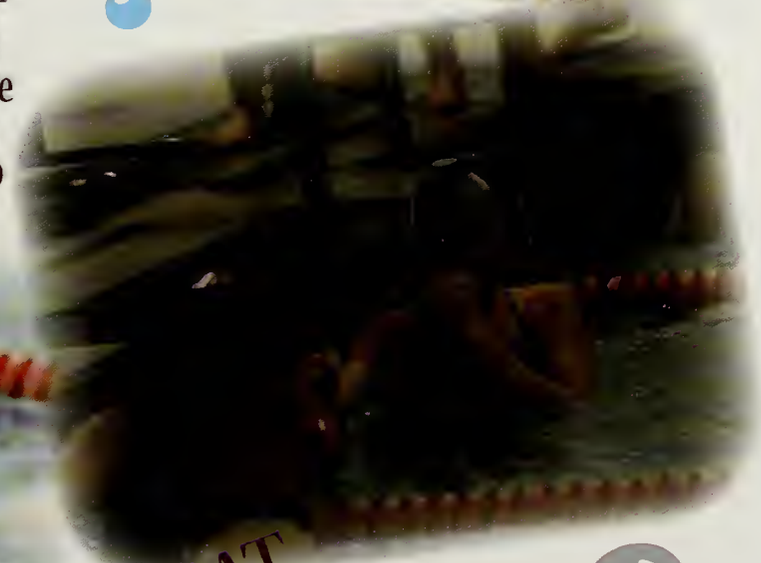
JUST KEEP SWIMMING!

KEEP GOING MICHAEL!

The 2008 Swimming and Diving team had a memorable season. With only 5 returning members from last year's squad, it was definitely a rebuilding year. The team picked up 7 new members, 6 freshmen and 1 junior. These twelve members worked hard all year to be competitive in the dual meets. They were able to show their strength in the conference meet as they placed 7th, beating out bigger teams such as Newton No., Natick, Weymouth and Braintree. This year's team also produced three Bay State Conference All-Stars in Kelly Gilmore, Kelly St. Cyr and Nicolle Stracqualursi. A quartet of swimmers also represented the team at the So. Sectional and State meet with the highlight being Nicolle Stracqualursi's third place finish in the 100 yd Breaststroke at the State Meet. Since there are no graduating seniors on this year's team, the team is definitely looking forward to next season.



GREAT TEAMWORK!

Nice hit!

We know we didn't have the best season but it was fun. Winning the Holiday Tournament was definitely the highlight of the year and how about ending Norwood's title hopes? Plenty of good times in the locker room with Pezzuolo leading the entertainment. Where is Mr. Slave? Gotta'love Bobby's skating abilities, Tiger, and Riles' Cream Pie. The leading of the Muffin Man. "Are we just gonna' roll over and die?"

Thanks for the memories, good luck next season boys.

Time Out!

The Starting 5

Well Girls,
We have been playing together since the 5th grade and have certainly been through it all. Never foget we were the 1st ever Herget Champs 06-07 and beat Walpole on their court sophomore year. Tourney. Always remember "good hustle," roll it in, going 16 on 95 and ice cream pie. Good times at Papa Gino's, Panera and pasta parties. We will always remember the sweater vest and phrases coming from the bench such as: "Just this 1 time baby, Kelli; out!, Way off, Steal it." Hey, Andrea, it's thursday. "You are all being selfish" and yes KG we are 500. To the underclassmen, good luck in the years to come and don't lob your passes. We'll miss you.

Allie, Andrea, Jill, Kelli and Nicole

To the Team,

Well, it was a good year; Sticky Nick had huge hands, Whelch made lound pitched noises, Scottie was long, Sully got fired up, Oakie dove around the gym, Dave shook his head and asked for girlfriends, Sean shot trips as Cam made sick passes, Hickey thought of comebacks to say to Sully while Frioli watched and laughed. Going to Papa Gino's "before and after", pasta parties and OCB! Oakie told terrible stories while Duane and Arki had thier own language. Good luck to the team next year. Hip Hop Jose!!!

Let's get fired up, Go DHS!

Hey Girls,

So Sad that it's over for us, we've been with you since Pop Warner. Our team has had its ups and downs but in the end we worked it all out. We've all come a long way since "thigh stands", and we've accomplished many things we'd never imagine but we did it! We have lost a few on the way but improved our skills in everyway. Good times from six hour practices two nights before competition to crazy sleepovers. Bay States and Regional's we've done our best and tat's all we could ask for. "Roll With Our Crew and Meet the Bottom of Our Nikes". We love you girls so much and wish you the best of luck in the future.

Love,
Rashidah and Melissa XOXO
